Principal's Message

Our aim at Bonnie Doon is to create an environment in which each student can achieve their own scholastic, athletic and personal goals. I have been proud to watch you achieve these goals. Your personal achievements have been rewarding for staff and fellow students. You have helped us to realize our school theme: The Best For Each.

A yearbook is a source of memories. We hope that what you take from school with this yearbook will bring you happy memories in the years that lie ahead. This yearbook will provide you with memories of friends, of fellow students, of staff, of incidents that have enriched our lives, and of events that will not be forgotten.

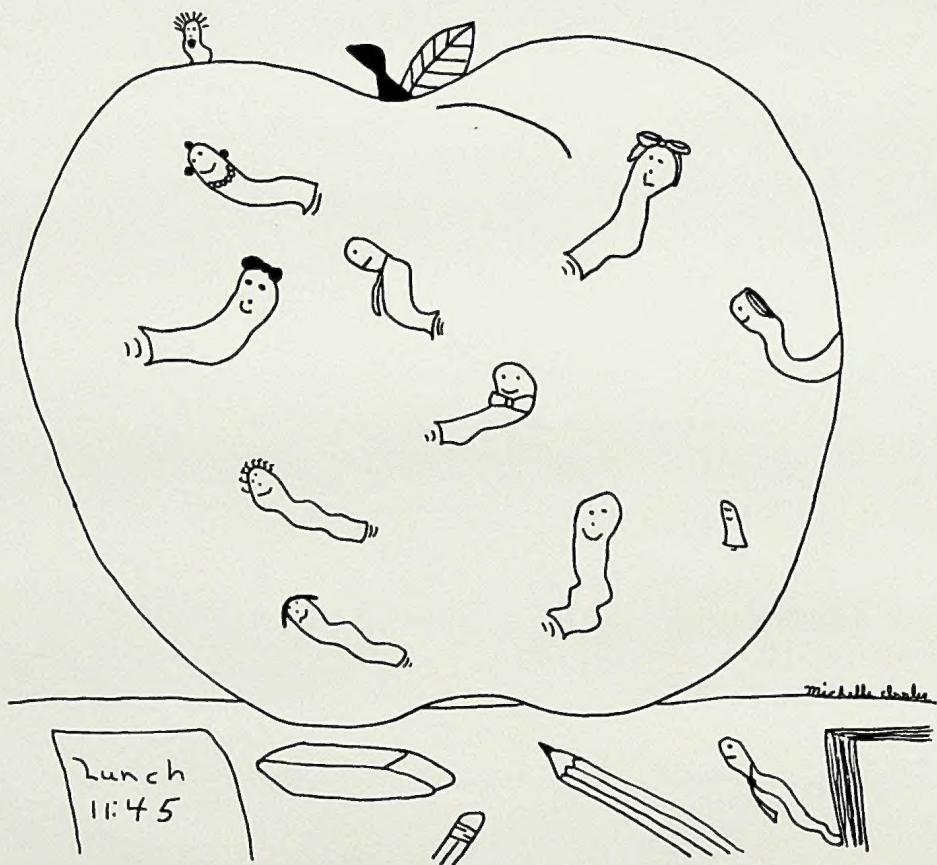

The yearbook staff works hard to provide us with these memories. I would like to congratulate them for their fine work and to thank them for their hard work and dedication to compiling a diary of the year for us.

To those graduating this year, I extend my best wishes for the future. I hope that the years ahead will be filled with exciting challenges for you. I wish you success and happiness in whatever you undertake in life.

Bonnie Doon's Senior Class Ceremonies, Reflections, were held on Thursday, May 9, 1996 at the Convention Center. Our Valedictorian this year was Denise Ramsankar. The theme song which was chosen to represent the '95 - '96 school year was "I'll Remember" by Madonna.

When in doubt, cop an ATTITUDE

Well it's been a great year and I've had lots of fun here in my 3rd year at Bonnie Doon. Grade 12 was one of the hardest years for me and unfortunately I'll be back next year.

The beginning of the year was exciting with the opening of the football season. It was great running for that winning touchdown against Wagner. Thanks to the teachers and my fellow students. ☺

David Auger

Thanks to my friends, coaches, and teachers I've become a better person throughout my high school years. I'll always remember lunch ball and three pointathons with Shaun. See you around L.W. H.M. PHAT B. S.L. D.A. J.G. K.F. . Oh ya, thanks Y-yes and El Gordo for hassling me when I shot threes and for pushing me to play defense. Hopefully I'll see some of you at the U. ☺

Manuel Caceres

From the past,
In the present,
And now to the future!
Thank you for the opportunity.

Renée Critchley

So it's finally 1996! I would like to thank my boyfriend of 3 years, for always being there for me. Charles, I will love you always and forever. I would like to thank my friends for making high school a better place; T.M, P.B, M.W, J.C, J.S, K.W, J. P. Most of all and I would like to thank my mom, my dad, and my grandparents. I wish you all the best!

Jennifer Fowler

Everything was new to me when I first came here - it was so hard for me to get used to everyone. But, thanks to all my teachers and friends who made these three years wonderful. Special thanks to my Uncle and Aunt for their support and encouragement. Also I want to say good luck to my friends RJ, SJ, HJ, DA & IC. (you all know who you are.)

Sharan Gandoke

I'm through. Twelve years have come and gone. And now, I'm faced with the real, rough world. Well, I've learned to keep my chin up and to "Hakuna Matata" myself through the down times. Thank you to all the teachers who have taught me that education is important. Adios.

Jenn Halkett

To my family and uncle thanks for all your support and encouragement. I would also like to thank all my teachers and staff for making high school enjoyable. I really liked Bonnie Doon school and I learned a lot in this school. Now new life is in front of me, I have to leave this school. I enjoyed my high school and these years won't come back.

Romi Jassar

Three years spent in Canadian High School will be in my memories for a lifetime! First day I walked to Bonnie

Doon I cried 'cause I missed my flight for Yugoslavia, Chuck, I was a tourist! To the staff and students of Bonnie Doon I would like to thank you for a memories and help you offered me in past 3 years. You know who you are!!! Class 96 LIVE LIFE TO THE MAX; LIVE ON THE EDGE BUT DON'T FALL OFF!

First I want to say what's up to my boys back at McNally, and the loner at Old Scona. And I can't forget the studs at the U of A. The fun times in the summer, K-days, great pumping, and snapple from Subway. Also, thanks to the guys for those great philosophical conversations in the cafeteria. See ya when you're fat and bald.

S. Lukian

Even though this was my only year at Bonnie Doon, the people here have made a lasting impression. The friends I have made this year I hope to keep for the rest of my life even if we go our separate ways next year. To everyone on the Senior Class Executive, I had a great time working with all of you guys. I'll see you all in the future.

Madelaine Lussier

The past two years that I have spent at Bonnie Doon School will be cherished and remembered always, as well as the friends that I have made in my endeavors. I'm glad that I came to Bonnie Doon, I have some great memories. I would like to thank the most important people in my life who helped me through the rough times, my Mom, Kevin Nanson and Carrie Brooks.

Thanks again Bonnie Doon.

Always Crystal Martin

Woohoo! It's over, 12 years of hard, hard work. I would like to thank some people that made the time fly while sitting through 80 minutes of physics and english; M.C, J.G, D.A, S.M, K.F, B.F, S.L and any one else who was part of our endless conversations on the Simpsons. Thanks to my parents who didn't get mad when I almost failed English. "Me fail English THAT'S unpossible!"

David Melara

I would like to thank A.C., T.P., J.S., M.H., C.D., S.D., S.B. and of course C.D. for making my experience with Bonnie Doon quite pleasurable. I would also like to thank C.D. I would also like to thank the love of my life Lisa, She's the greatest. If you call someone a stupid idiot your a fool because stupid idiot is redundant. Left is Green. BYE! ☺

Shaun M.

My favorite moment was getting to know so many different people through out my high school years. Three years, so far. I have so many memories that I would not have the space to talk about them. My best friends will always be there for parties and anything else that could happen. There were so many different teachers that changed my life in a bit of a way. My teachers have changed my life. SO PARTY HEARTY.

Troy Palylyk

Over the past two years things haven't been easy but thanks to the support of the friends I've gained it has made early mornings, late nights, and last minute homework a little more bearable. I would like to apologize to all my grade 11 teachers whose classes I skipped on Fridays due to a recurring headache i.e. Mr. J. (action). It's been fun, but leaving is even better. See ya

Trudie Peters

Thanks to everyone for all the memories. To my "soloists": I'll always remember the cavewoman days of Brimbau, the trip to Paris - that is the French Connection, abs of steel, jazz walks and the dreadful "epidemic"; Spike, Curly, Toucan Sam, Ukrainian Boy, Legoman, Harry and Granola Man; Singin' In the Rain, Strictly Ballroom, and Mille Bornes; and to Carmen: Black Forest cake and Tom Jones. Special thanks to KF, RC, BS, SR, and MC for being such good friends.

Love, Denise
"corps"s

Man, its finally over. As much as I hated school I'll look back and treasure the memories. I've had an interesting trip and experienced a lot of crazy times and cool people.

Special thanx to J. Schmidt for "everything" but mostly for helping me through. Extra big thanx to my wonderful family. I'll remember the "daze" with J.k, R.s, S.d, D.w! It's been long and hard but man it was worth it!

Kylene Tkachyk

CONGRATULATIONS GRADS

Three years have gone bye like a flash. Many good memories will stay with me to look back on and cherish. I will remember all the new and old friends that I met and hung around with. T.P, L.S, M.K, B.K, D.A, S.D, C.D, K.M, C.G, B.U, H.M and any others I may have missed. I will never forget all the great teachers and students at Bonnie Doon.

Yearbook has given me a lot of "golden memories" actually a lot of "golden headaches," but it was fun. Thanks for all the loud lunches people!

Joanne Giesbrecht, editor

Well, I can't say I enjoyed the final crunch, but the lunch hours were good. Both the phone and the couch came in handy. I've enjoyed being in yearbook and being able to pick pictures and quotes.

Also, a great thanks goes to the other yearbook staff: Graeme, Matt, Anita, next year be here for pictures! And to Mr. Watson, it's your last yearbook for Bonnie Doon; it will never be quite the same.

Catch ya later sweeties.

Word to the wise: don't get caught in the hallway during class time, especially by Mr. Varga!

"Now Danny Wills, how many times have I told you to put your bag away before you watch t.v.? Danny are you listening? Danny?"

Nothing like a warm, goofy smile from Mrs. Lee to start the day!

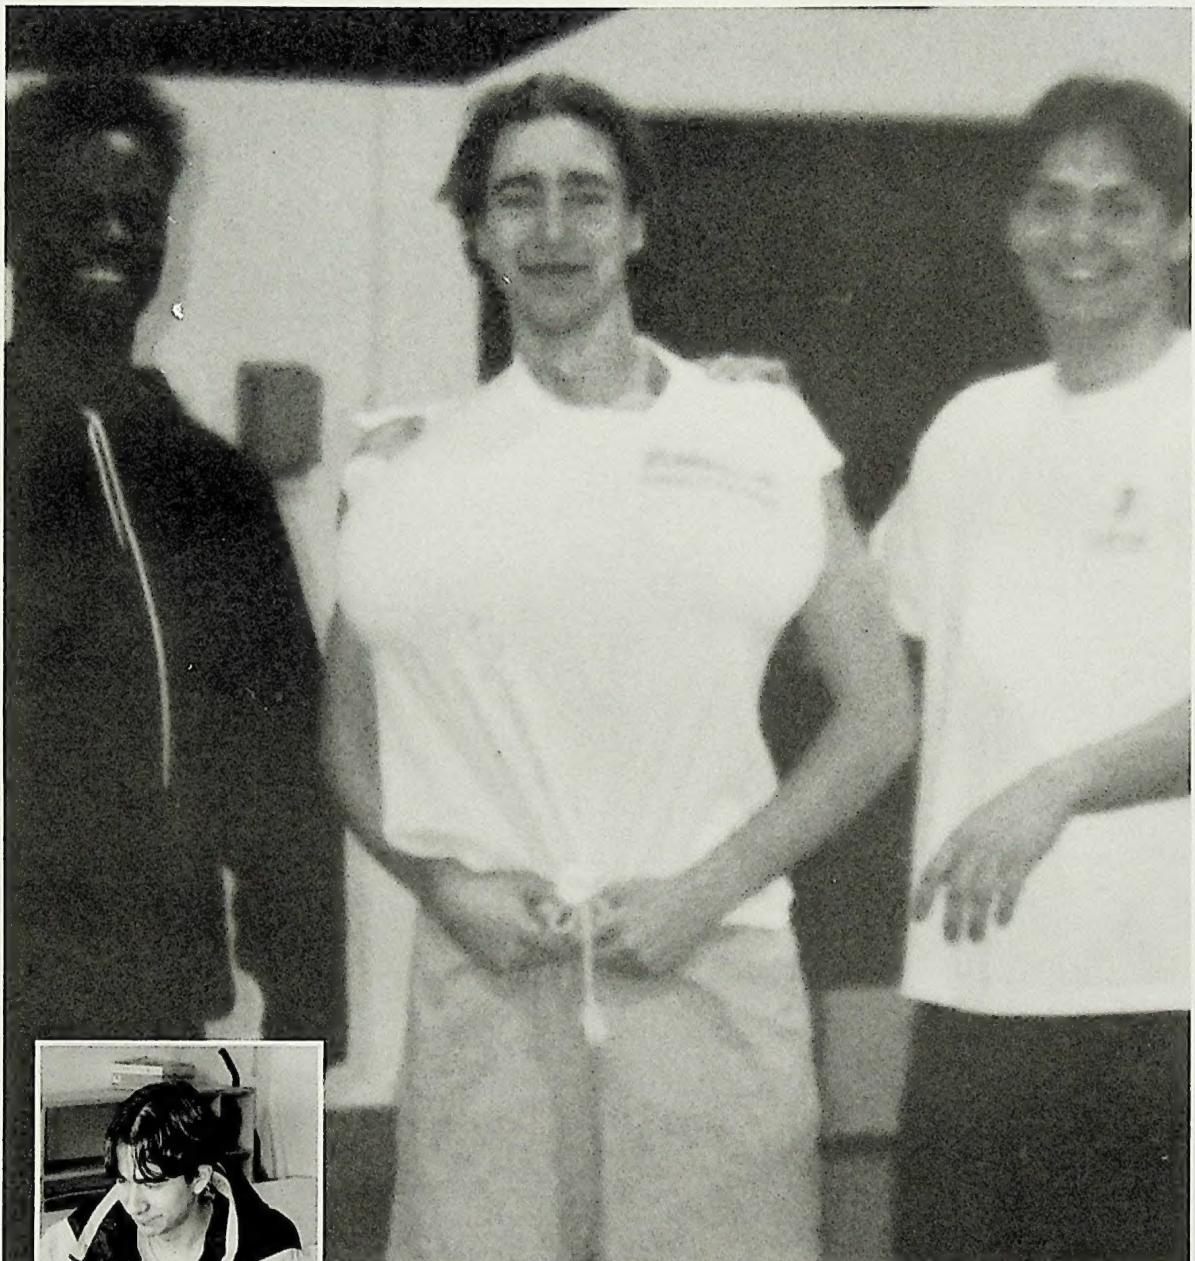

And who said Shaffique B. is lazy? Can't you see the minute beads of sweat?

Well, nobody ever said James G. and Bey S. weren't talented and handsome.
